Carlos Delgado led the Major Leagues with 145 RBI including 34 in June to set a club record for RBI in a month.

Wells, Delgado and Halladay Set Impressive Club Records

A TRIO OF TOP STARS LED THE BLUE JAYS back above the .500 mark for the first time since 2000 and gave the club the most wins in a season since going 88–74 in 1998. Vernon Wells, Carlos Delgado and Roy Halladay all established significant new career marks en route to setting impressive club records and leading the American League in several important categories.

Both Halladay and the Blue Jays started the season slowly. After a breakthrough 19–7 season in 2002, "Doc" earned the starting assignment against the New York Yankees on Opening Day but took the loss in an 8–4 Yankees victory. Halladay suffered another loss and two no decisions in his next three April starts as the Blue Jays struggled out of the gate with a 10–18 record for the month. Though Carlos Delgado hit at a .366 clip with 28 RBI in April, the Blue Jays suffered through a season-high six-game losing streak between April 10-15 and fell to a season-low eight games below .500 twice during the month. One of the few highlights in the season's opening month came on April 27 when the Blue Jays scored six runs in the bottom of the ninth to beat Kansas City 10–9. Toronto had trailed 7–0 in the second inning and 8–1 through six.

Halladay helped May get started off right with his first win of the season on May 1. He would win all six of his starts in May (winning honors as American League Pitcher of the Month) as the Blue Jays posted the best monthly mark in club history with a record of 21–8. Veteran catcher and former Blue Jay Greg Myers had returned to Toronto as a free agent in the offseason. Amazingly, he would enjoy his best season at the age of 36, establishing personal highs with 121 games played, 101 hits, 15 home runs, 52 RBI and a .307 batting average. He kick-started his career year with a .361 mark in May, one of eight Blue Jays to hit .300 or better for the month. Vernon Wells, who had hit just .246 in April, batted at a .317 clip in May while driving in a club-high 28 runs. Wells went 4-for-6 with three runs scored and four RBI to pace Toronto to an 18–1 win in Kansas City on May 16. The 17-run difference marked the largest margin of victory in team history. The month also featured the first four-game sweep of the Yankees by the Blue Jays when the team took four in a row at Yankee Stadium between May 22–25.

Toronto was just two games out of first place as June began, but fell behind the Red Sox 6–0 in the third inning of their game on June 1. Roy Halladay managed to survive the shaky start and held on to pick up the win when his teammates rallied for an 11-8 victory and a three-game sweep of Boston. Halladay continued his winning ways right through June, running his record to 11–2 with a club-record 11 wins in 11 consecutive starts. Vernon Wells hit .369 for the month and socked eight homers, but it was Carlos Delgado who truly swung the hot bat. Delgado slugged 10 roundtrippers and knocked in 34 runs, breaking the club record of 32 RBI in a month he had previously shared with Dave Winfield.

Catcher Kevin Cash congratulates Roy Halladay after the eventual Cy Young winner clinched his club-record 22nd win. He recorded 15 consecutive wins from May to July, and pitched four consecutive complete games in September.

Delgado entered July with 89 RBI and had a shot at Hank Greenberg's 1935 Major League mark of 103 RBI before the All-Star Break, but fell just short with 97 when the Break began on July 14. He had to settle for moving into third place on the list and becoming one of only nine players in history to record 90 RBI before the All-Star Game.

July was not kind to the Blue Jays, as they suffered through their worst month of the season with a record of 8–17. Roy Halladay continued his winning ways, however, and, with a few no decisions tossed in, ran his streak to 15 wins in a row on July 27. Working on just three days rest for the third time during the season, Halladay allowed the Baltimore Orioles just two hits in seven scoreless innings en route to a 10–1 victory. His 15 straight wins tied Roger Clemens' club record and left him just one short of the American League mark. However, Halladay and the Blue Jays were defeated 5–0 by the Anaheim Angels on August 1. The loss set the tone for another poor stretch, as Toronto managed just 13 wins in 28 games, but the final month of the season would truly be a September to remember.

The Blue Jays closed out the season with a 19–7 record, including a 12–4 mark at SkyDome. Halladay threw four consecutive complete games from September 1-17, winning them all. He went 5–1 in September with an ERA of 1.41, setting a new club record with his league-leading 22nd victory in his last start of the season on September 27. Halladay earned his second selection as AL Pitcher of the Month, putting the finishing touches on a season that would result in his winning the Cy Young Award. Carlos Delgado and Vernon Wells also finished the season in style. Wells set a new club record with his 214th hit on September 27, and ended the season with a league-leading 215 hits to join Paul Molitor as the only Blue Jays to lead the league in this category. Wells finished the year with a .317 average, 33 homers and 117 RBI. He also provided stellar defense in center field. Carlos Delgado led the league with 145 RBI, joining George Bell as the only Blue Jays to lead the league in runs batted in while becoming the first Toronto player to lead the entire Majors. Delgado's final month of the season was highlighted by a four home run performance against Tampa Bay on September 25. He became just the 15th player in Major League history to hit four homers in a game, and just the sixth to do so in four consecutive at-bats. Delgado's third home run that night was the 300th of this career.

Several other Blue Jays made key contributions during the 2003 season. Rookie Aquilino Lopez took over as the team's closer and notched 14 saves, while Josh Towers was added to the starting rotation and compiled a record of 6–1. Reed Johnson proved to be a fine addition in right field, ranking among the rookie leaders in many offensive categories. Hitting mostly in the leadoff position, he batted .294 with 10 homers, 79 runs scored and 52 RBI. Frank Catalanotto also provided a spark from the number-two spot in the batting order, with a .299 average and a career-high 13 homers and 59 RBI. Josh Phelps clubbed 20 home runs, while Orlando Hudson provided record-setting defense at second base by leading the American League with a franchise-best 477 assists.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Back of Commerce relinquished their stake. In January of 2004 Rogers Communications Inc. acquired the remaining 20% of the Club. Rogers Communications Inc. now owns 100% of the Toronto Blue Jays Baseball Club.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

1-2-3 IN BATTING RACE

In 1993 John Olerud (.363), Paul Molitor (.332) and Roberto Alomar (.326) finished the year first, second and third respectively in the American League batting race... It was just the third time in Major League history that three teammates had finished in that order- and the first since 1893. Alomar was in fourth place trailing Cleveland's Kenny Lofton heading into the last day of the regular season... Alomar then went 3-4 on the final day to finish .001 ahead of Lofton (.325)... The two other times that this feat occurred were: 1893- Philadelphia A's (Billy Hamilton- .380, Sam Thompson- .370 and Ed Delahanty- .368) & 1891- Boston Reds (Dan Brouthers- .350, Hugh Duffy- .336 and Tom Brown- .321).

FORFEIT GAME

The Blue Jays have played one forfeit game, a 9-0 decision vs Baltimore on September 15, 1977... In that game Jim Clancy had held the Orioles to two-hits over five innings before Earl Weaver pulled his club off the field... His reason was that the tarps on the Blue Jays bullpen created a hazard for his players.

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over his first baseman FRED McGRIFF's outstretched glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run second inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1983.

The major league record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the second, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani.

Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado and ended the string of 10 straight hits.

Borders flied to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

FREE AGENCY

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.

That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensationn for clubs who lost players in this draft.

In later years, the draft was abolished and compensation was required.

Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

Major League Rule 5 Draft, 1977-2003

Toronto has selected 27 players in the Major League Baseball Draft, since their inaugural season in 1977. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for $50,000 (prior to 1985 the draft price was $25,000). The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous season records and alternating between leagues. Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. An "AAA" selection price is $12,000. An "AA" selection is $4,000.

THE HISTORY OF THE BLUE JAYS UNIFORM

In 1977 when the Toronto Blue Jays began play in the American League they sported the now familiar Blue Jays logo that was designed by Toronto-based Savage Sloan Ltd.

The lettering style that has become associated with the organization began in 1977. The uniform numbers and name BLUE JAYS on the home uniforms in 1977 were done with rounded corners and a thin white centered highlight line which is now so distinctly associated with the Toronto Blue Jays.

In 1977 the Blue Jays players wore pullover uniform tops and beltless waistband pants with decorative striping of blue, white and light blue on the sleeves, necks and pants. The caps were dark blue with two white panels in front and the team logo proudly displayed in the middle. Undersweaters and socks were solid dark blue.

The home uniforms were white with BLUE JAYS arched across the chest over the Blue Jay logo which was centered on the uniform top. The lettering was dark blue split with a white highlight line centered in the lettering. The uniform numbers on the back of the jersey were done in the same split style. The road uniforms were light blue with TORONTO across the chest in solid dark blue lettering.

In 1978 a white outline was added to highlight the solid blue lettering. TORONTO on the road uniform top. In 1981 the road uniform top adopted the split lettering style as white letters with a dark blue centering line. The letters now read BLUE JAYS instead of TORONTO as had appeared across the chest since 1977.

It was in 1980 that the players names first appeared on the backs of the uniforms. The names appeared on the home uniforms only and not on the road jerseys. Names first appeared on road uniforms in 1989 after the team had dropped the light blue uniform.

In 1989 the Blue Jays dropped the pullovers and waistband pants for buttoned shirts and belted pants. The home and road uniforms saw the logo move from the center of the uniform top to the left side of the chest below the lettering. The lettering and numbers remained in the distinctive split lettering style. The player names on both of the uniforms appeared in solid dark blue letters. The home uniform remained white but made the above changes and dropped the striping around the collar. The striping of dark blue, white and light blue remained on the sleeves and the sides of the pants.

The road uniform changed from medium blue pant and shirt to a grey uniform with dark blue, white and dark blue striping on the sleeves and pants only. The name BLUE JAYS was replaced with TORONTO in dark blue in the familiar split lettering style with a white centered highlight line arched across the chest. The logo shifted to the left breast below the lettering. The road cap was changed to a solid dark blue cap with the Blue Jays logo centered on the front.

In 1994 the solid dark blue road cap was adopted as both the home and road cap. As well in 1994 an alternate jersey was added for the first time in club history. The alternate jersey being a solid dark blue buttoned jersey.

In the twenty-two year history of the club the team has added patches to the sleeves for four different seasons. In 1986 a special 10 year anniversary patch was added which was displayed on the left arm. In 1991 the Blue Jays uniform added a patch to commemorate the hosting of the 1991 All-Star Game in Toronto. The third patch displayed on the uniform throughout the season was in 1996 when the Blue Jays displayed their commemorative 20th season logo. In 1997 the Blue Jays wore the Jackie Robinson 50th year Anniversary patch. Toronto had short term logos in 1992 and in 1993 when the World Series logo was displayed on the left arm.

In 1997 the Blue Jays uniform changed as they adopted a new team logo. The new/current logo was designed by Major League Properties and brings the colour red into prominence as the maple leaf serves as the backdrop for the bird logo. The Blue Jays maintained the split lettering style on the home white buttoned jersey's and the belted pants but added a light blue centering line to the letters instead of the plain white used in the past. The road uniforms remain grey with TORONTO across the chest but it now appeared in three colours. It along with players names and numbers are now dark blue, with a red centering line and a white outline. The striping on both the home and away pants was switched to blue, light blue and red. The Blue Jays also added an alternate jersey of solid blue with Toronto across the chest with the player number. The split style lettering and numbers are red with a blue centering line and a white outline. All three of the jerseys display the team logo on the left arm.

In 1999 the Blue Jays added a home white sleeveless buttoned jersey. The uniforms, accompanying by dark blue undershirts, have split letters of light blue with a dark blue dividing line. The front of the jersey vest displays BLUE JAYS along with the logo with the player names and numbers on the back. It is the only current jersey without the number on the front of the jersey.

In 2000 the Blue Jays added an alternate logo on hats which were used exclusively as spring training and batting practice caps. The logo features an animated Blue Jay holding a bat and reaching around a large red T to toss a ball in the air. The arm of the bird tossing the ball displays a red maple leaf.

In 2001 the Blue Jays celebrated their 25th Season with a commemorative logo that was displayed on the left arm of the jersey. In conjunction with the Anniversary logo. The Blue Jays also made some changes to their uniform. The uniform changed from blue, light blue, and red striping around the sleeves and down the sides of the pants to dark blue piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. The piping is the same for all the uniforms, except the alternate jersey, which displays red piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. In addition, the solid gray road and the solid white alternate home jerseys have blue set-in sleeves. Also, the T-bird logo was added to the front left side of the alternate home jersey, which replaces the number.

In 2003, the Blue Jays made temporary use of the T-bird logo as the Club's primary mark, while beginning an elaborate rebranding process aimed at updating the team's look and feel. Brandid, a Toronto-based company, was selected from competing design firms to create a new primary mark that would form the launching point for this process. The end result of Brandid's efforts, revealed publicly in special ceremonies held in September 2003, was a powerful and engaging graphic featuring a newly styled blue jay extending to the left from "Jays" lettering based on traditional baseball script with three-dimensional metallic letters. A secondary mark for headwear was also introduced incorporating the blue jay and a three-dimensional letter "J". The marks feature the colours blue, metallic silver and metallic graphite along with black and white accents, all drawn from the natural colours of the blue jay bird.

That colour scheme will be utilized in new uniforms and caps for the 2004 season developed respectively by Majestic Athletic and New Era Cap Company, as sanctioned by Major League Baseball Properties. The new home uniform features white button-front jerseys with the primary mark displayed across the chest rising from the player's right to left. The player's name and number will adorn the back of the jersey in metallic graphite, with satin silver and blue tackle twill surrounding the number. The player's name will be outlined in blue. White pants with blue striping down the leg will be worn with tunnel belt loops and a black belt. A graphite cap and visor with the secondary logo will complete the home uniform. An alternate home uniform will make use of all of these elements but will feature a solid black version of the home jersey.

The new road uniform will feature gray button-front jerseys and pants adorned with blue striping. The jerseys will feature "Toronto" across the chest, making use of the same colour scheme and style of lettering as the primary mark. Name and number will be displayed on the back of the jersey in metallic silver with the number outlined in blue and satin silver and the name outlined solely in blue. A solid black cap and visor with the secondary logo will complete the look.

For the purposes of batting practice, both at home and on the road, and all Spring Training workouts and games the Blue Jays will wear solid black button-front mesh jerseys with silver piping extending down the arm from the neck. The secondary mark will be featured on the upper left breast underneath "Toronto" script. The player's number will be the only item featured on the back of the jersey, in metallic silver with blue and satin silver trim. The players will make use of the white pants from the home uniform for home games and the gray road pants away from SkyDome. The batting practice uniform will be completed with a black belt and shoes and a graphite hat with the secondary logo.

BLUE JAYS LEVEL OF EXCELLENCE

The "Level of Excellence" is the highest award bestowed by the Toronto Blue Jays honouring tremendous achievements. The inaugural members of the Level of Excellence were **OF GEORGE BELL** and **RHP DAVE STIEB** who were honoured in 1996 after their tremendous careers as the cornerstones of the franchise for many seasons. **OF JOE CARTER** and **Manager CITO GASTON** were recognized in 1999, **IF TONY FERNANDEZ** in 2001 and **GM PAT GILLICK** in 2002.

Outfielder **GEORGE BELL** spent nine seasons with Toronto and ranks 2nd on the all-time franchise list in total bases (2201), runs batted in (740), and is second in extra base hits (471) and sacrifice flies (59) and third in home runs (202). In 1987 he was named the American League MVP as he set franchise marks in home runs (47), extra base hits (83), total bases (369), RBI (134) and slugging percentage (.605). **BELL** made his first of two all star appearances in 1987 when he became the first Blue Jay ever voted to the starting line-up. During his nine seasons **BELL** was a four time club MVP, the Sporting News AL and major league player of the year in 1987, a three time Sporting News Silver Slugger, a two time Sporting News All Star team selection and the American League Player of the Week eight times. The 6'1" right hand batter also set a major league record hitting three home runs on opening day, April 4, 1988 at Kansas City.

DAVE STIEB is the franchise leader in wins (175), innings pitched (2873.0), strikeouts (1658), starts (408), shutouts (30) and complete games (103). **STIEB** spent 15 seasons with Toronto, longer than any player in franchise history. **STIEB** appeared in an American League record seven All Star games and was the starting pitcher in both 1983 and 1984. **DAVE STIEB** also recorded the only no-hitter in Blue Jays history on September 2 1990 against the Indians in Cleveland. In 1982 he was named the Sporting News Pitcher of the Year after a 17-14 season with a 3.25 ERA and led the league in innings pitched (288) and complete games (20). **STIEB** was the Blue Jays pitcher of the year six times, a three time winner of the American League Pitcher of the Month and a three time winner of the American League Player of the Week.

Outfielder **JOE CARTER** is second in franchise history in home runs with 203 but will forever be remembered for just one, the ninth inning blast on October 23 to win the 1993 World Series. In 1,039 games from 1991 to 1997 with Toronto, **CARTER** hit .257 with 578 runs scored, 218 doubles, 28 triples, 203 home runs with 736 RBI and 78 stolen bases. In his seven seasons he represented Toronto in five All-Star games including 1991 in Toronto, his first season with the Blue Jays after he was acquired from San Diego along with Roberto Alomar on December 5, 1990 in exchange for Tony Fernandez and Fred McGriff. Along with his tremendous on-field accomplishments Joe and his wife were active off the field as the Diana & Joe Carter Foundation operated the "Jumpin' with Joe" program which provided needy children throughout the Toronto area with a day at Teen-Ranch, Christian Youth Camp and tickets for a Toronto Blue Jay game where Joe would speak to all of the children. He worked with many other charities including Ronald McDonald House and also hosted an annual charity golf tournament. In his 16 year major league career Carter hit .259 with 432 doubles, 396 home runs and 1,445 RBI while playing for the Chicago Cubs (1983), the Cleveland Indians (1984-1989), the San Diego Padres (1990), the Toronto Blue Jays (1991-1997), the Baltimore Orioles (1998) and the San Francisco Giants (1998).

CITO GASTON led the Blue Jays to two World Championships, two American League Championships, four American League East titles and a franchise record 681 wins in his nine seasons as the Manager from 1989 to 1997. **GASTON** started as the Blue Jays hitting coach in 1981 where he groomed many young players including George Bell, Lloyd Moseby, Cecil Fielder, Jesse Barfield and Fred McGriff. In 1989 he served as the interim manager of the club before he was named the fifth manager in club history on May 31, 1989. He had the privilege of Managing in two All-Star games, 1993 and 1994. During his years as manager Cito gave much of his time to charity events throughout Toronto including the annual Cito Gaston Golf Classic. Gaston returned to the Blue Jays for two seasons as hitting coach in 2000 and 2001.

TONY FERNANDEZ retired as the franchise leader in games (1,450), at-bats (5,335), hits (1,583), triples (72), second in doubles (291), third in runs (704), total bases (2,198), and average (.297), fourth in walks (439) and stolen bases (172) and fifth in extra-base hits (425). **FERNANDEZ** had four separate stints with the Blue Jays resulting in 12 seasons and was a member of the 1993 World Series Champions where he led the team with nine RBI and batted .333 in the six WS games. **FERNANDEZ** was selected to play on five All-Star Teams, including four with Toronto, and won four straight AL Gold Glove Awards at shortstop from 1986-1989 with the Blue Jays. **FERNANDEZ** is the All-Time hit leader for a Dominican born player. Was selected as the shortstop on the 25th season Blue Jays All-Time Roster and in 2001 set club single season pinch-hit records with 16 hits and 10 RBI.

PAT GILLICK, who was instrumental in building the organization from an expansion team in 1977 to World Series Champions in 1992 and 1993, was the sixth man to be honoured by the Toronto Blue Jays to the Level of Excellence. **GILLICK** began his exceptional career with the Blue Jays in 1976 as the Vice President of Player Personnel. Through his work during the early years with the organization, he developed what many referred to as the "blueprint for developing an expansion franchise." **GILLICK** was responsible for the development of players like Dave Stieb, Jesse Barfield and Jimmy Key through the draft and utilized the Major League Rule 5 draft to secure talents such as Willie Upshaw, George Bell, Jim Gott and Kelly Gruber. **GILLICK** was also known for completing shrewd trades to acquire the likes of Alfredo Griffin, Damaso Garcia and Fred McGriff and assembling talent like Tom Henke, Joe Carter, Roberto Alomar, Devon White, Dave Winfield, Jack Morris and Paul Molitor. During his tenure, the Blue Jays produced 11 consecutive winning seasons from 1983 to 1993 and in that span, the Toronto Blue Jays brought five American League East Division titles to Toronto, two American League Championships and World Series victories in 1992 and 1993.

SCOUT OF THE YEAR AWARD

The Scout of the Year Award was first presented in 1985... The award and selection process was developed by three scouts; Tony Pacheo (Houston), Jim Russo (Baltimore) and Hugh Alexander (Philadelphia)... Each year, Scouting Directors from each Major League club submit the names of their scouting personnel who have accumulated 20 years of scouting experience in a full-time capacity... The Scouting Association conducts the voting... The awards are divided into three sections, one for each area of the United States (East, Mid-West, West)... The award recognizes the scout who has excelled in scouting, professionalism and performance on the job.

BOBBY MATTICK AND AL LAMACCHIA AWARDS

In 1996 the Blue Jays organization established two awards: the **Bobby Mattick Player Development Award** and the **Al LaMacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethics of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes.

The Bobby Mattick Award was named after the longtime baseball executive who has spent the last 25 years of his career with the Blue Jays. Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981.

The Al LaMacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The contributions of Al's scouting talents have been deeply etched in the Blue Jays short history.

ROLAIDS RELIEF MAN

The Rolaids Relief Man Award relies upon a unique scoring system:

- Four points for each "tough save"
- Three points for all other saves
- Two points for each win
- Two points deducted for each loss
- Two points deducted for each "blown save"

In the rare instance when a relief pitcher enters a game with a lead that is greater than what is allowed to qualify for a save — Scoring Rule 10.20 (3b) — and gives up the lead, he will be assessed a two — point penalty (as he would have had he blown a save opportunity). He will not be charged with a "blown save" since the opportunity for a save did not exist.

In case of ties (for monthly or annual awards), the relief pitcher with the better percentage of successful "save conversions" (saves divided by save opportunities) will be the winner. If a race is still tied, the pitcher with the lowest earned run average for relief appearances will be the winner.

"Tough Save"

The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

"Blown Save"

When a relief pitcher enters the game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

1985 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs KANSAS CITY

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays seeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3 1/2 innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2 games to none.

GAME #3: George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after 4 1/2 innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

GAME #5: LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3 games to 2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3 games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

1989 American League Championship Series

TORONTO vs OAKLAND

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. As outfielder Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

GAME #3: The Blue Jays snapped a five game post season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. The win ran the Blue Jays' record to 11-0 at SkyDome with the roof closed. Overcoming a 3-0 Athletics' lead Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in games with a 6-6 win over the Blue Jays. Rickey Henderson was again a major catalyst with two HR's which accounted for four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by Geroge Bell and a sacrifice fly by Kelly Gruber.

Epilogue: In essence it was Rickey Henderson defeating the Blue Jays four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits being for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series" the best team of the regular season continued that charted course into post-season, winning eight of nine contests.

1991 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs MINNESOTA

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization. The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion. The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count. Below is a summary of the series.

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins would not need to score another run. The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris. Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings

and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin. Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0. Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2. Minnesota was able to post three runs in their half of the sixth inning and tie the game at five. Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth. Toronto was shutdown by five shutout innings of relief. Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

1992 American League Championship Series

TORONTO vs OAKLAND

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3. The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2. John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career post-season victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs. Closer Tom Henke came on for the save in the ninth, his first ever post-season save.

GAME #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs Twins) lasting six inning before being lifted in favour of Duane Ward. Tom Henke earned his second save in as many games. Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo). The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the game sending the game into extra-innings. Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris. The A's added another run in the sixth making the score 6-1. Toronto began their comeback in the top of the eighth as they strung together five consecutive hits. By the end of the inning, the score was 6-4. The A's were held of the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6. Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 post-season. The 6-2 loss for the Blue Jays ended their three game win streak. David Cone took the loss for Toronto. He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in 3 runs for the A's. Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore. The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0. Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto 7, Oakland 1. The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

1992 WORLD SERIES

TORONTO vs ATLANTA

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine. It would be the only run Toronto would score. Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak. Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells. Cone also contributed at the plate with a pair of hits and an RBI. His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolitch went 2-4 on October 3, 1968. Heading into the eighth inning, the Blue Jays trailed 4-2. After a run in the top of the eighth Toronto entered the ninth inning trailing by 1. After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked. Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4. Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White. White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch. White returned the ball to the infield where Pendleton was doubled-up off first. The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the sixth inning, the Braves rallied to tie things at 1-1. Each team traded runs in the eighth keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the ninth. But after a key double play and a strikeout the inning was over. In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters. Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left. Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the fifth inning, the game was tied at 2-2. The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth. The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game. The fifth inning began for the Braves with 2 consecutive routine outs. An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris 1-2 offering over the right field wall for a grand slam making the score 7-2. The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time. The 11-inning game began with the Blue Jays scoring in their first inning of the game. Devon White led off the game with a single off starter Steve Avery. After a stolen base and a ground out by Alomar, White stood on third. Carter then drove in White with a sacrifice fly. Atlanta answered the call in their half of the third as Deon Sanders scored his fourth run of the series. Toronto returned the favour immediately as they regained the lead with a run in the top of the fourth on a Maldonado lead off homer. The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending it into extra-innings. The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Jimmy Key popping out for out number 1. Devon White was hit by a Charlie Leibrandt offering. Alomar then singled to centre allowing White to move up to second. With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto. In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound. Mike Timlin then came in to pitch for the Blue Jays with pinch runner Smoltz on third and two out... Otis Nixon attempted a drag bunt up the first base line, that was fielded by Timlin who threw to Carter at first in time for the final out.

1993 American League Championship Series

TORONTO vs CHICAGO

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used their half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 8 batters and stranded 11 Chicago runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning but it was the Blue Jays that would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter pitched a complete game for his first career ALCS victory. He permitted just seven hits while issuing two walks and striking out six. Tim Raines provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the Chisox lead to one (5-4) but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings permitting just two hits while walking one and striking out six. Roberto Alomar

reached base in all five plate appearances (3 hits, 2 walks) to lead the Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the Chisox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Duane Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose would achieve as the Blue Jays were crowned American League Champions for the second straight season.

1993 WORLD SERIES

TORONTO vs PHILADELPHIA

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the first inning as the Phillies' catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the second, Toronto rallied with two runs of their own on four singles off Curt Schilling. Both teams traded solo runs in the third and fifth to keep the score knotted at 4-4. With 1 out in the bottom of the sixth, John Olerud took a first pitch offering from Schilling over the right field fence for a solo home run putting Toronto ahead by one. Toronto scored what would prove to be the winning run in the bottom of the seventh as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the eighth. Al Leiter, who would prove to be the winning pitcher, relieved Guzman to start the sixth and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the ninth inning as a Jim Eisenreich single scored John Kruk who had led off the frame with a single and moved to second on an error. Ricky Jordan flied out to Joe Carter for the last out to put Toronto ahead 1 game to 0 with the 8-5 win.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3. Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five. This game featured solid pitching by the Blue Jays combined with a potent offence. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple. He would also score as Carter lifted a sacrifice fly to right field. Molitor added a solo homer in the third to make it 4-0. Starting pitcher Pat Hentgen pitched six innings allowing just one run- that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after having reached base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera. Roberto Alomar finished the night with a 4-hit game while Molitor had three hits, three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead. Toronto opened the scoring with three in the first off Philly starter Tommy Greene. But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second. The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason. Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend their lead 12-7. Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out. The Phillies added a run in the sixth and one in the seventh to make the score 14-9. The Phillies relief corps could not hold Toronto from making a comeback. In the top of the eighth, the Blue Jays sent ten players to the plate. Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14. Mike Timlin, started the eighth and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning. In the ninth Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the second ever shutout of Toronto in the post season. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt. Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first. A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1. Dave Stewart, the Toronto starter held the Phillies to just one run over his first six innings. In the seventh he surrendered a three run homer to Lenny Dykstra- his fourth of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading 6-5. After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and he walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

PITCHERS AT THE PLATE

The Blue Jays never had a pitcher bat in a regular season game in their first twenty seasons.

DAVE STIEB batted against Minnesota Twins on August 29, 1980 at Exhibition Stadium but he was playing the outfield. Stieb had gone in to play left field in the 15th inning of a suspended game started on August 28th. In his only time at the plate he flied out to the center-fielder, Ken Landreaux in the bottom of the 15th. The pitcher was Al Williams. He played one inning and had no fielding opportunities as the Jays lost 7-5 in 15 innings.

In the 1992 World Series vs Atlanta, Blue Jays pitchers were 2-7 with DAVID CONE going 2-4, JIMMY KEY 0-1 and JACK MORRIS 0-2.

In the 1993 World Series vs Philadelphia, Blue Jays pitchers were 1-8. AL LEITER had the only hit, a double.

In 1997 with the introduction of INTER-LEAGUE PLAY, Blue Jays pitchers took their turn hitting. WOODY WILLIAMS became the first Blue Jays pitcher to come to bat and also had the first hit, a single, in his second at bat off Curt Schilling on June 13, 1997. ROGER CLEMENS had the other Blue Jays hit, a double off the right-field wall at Shea Stadium against the New York Mets on September 2, 1997. He came around to score the first run ever by a Blue Jays pitcher.

In 1998, Blue Jays pitchers combined to hit .117 (2-17). WOODY WILLIAMS had both Blue Jays hits, with two singles in six at bats.

In 1999 the Blue Jays pitchers batted .053 with one hit in 19 at-bats. PAT HENTGEN picked up the staffs' only hit, the first of his career, on June 8 at Shea Stadium vs. the New York Mets.

Blue Jays pitchers combined to hit .071 with two hits in 28 at-bats during the 2000 season. FRANK CASTILLO and DAVID WELLS collected the two hits for the Jays staff with both being singles.

In 2001 the Blue Jays hurlers combined to go 3-16 and collected the first RBI in franchise history by a pitcher. JOEY HAMILTON was 1-3 with a double and an RBI, CHRIS MICHALAK was also 1-3 with a triple and CHRIS CARPENTER picked up his first career hit, going 1-3.

The Blue Jays staff in 2002 hit .100 going 2-20. Both hits were singles with Esteban Loaiza and Chris Carpenter each collecting hits. Carpenter was also the Jays only pitcher to score a run. It was the first run by Jays pitcher since September 2, 1997.

Blue Jays pitcher's had their most productive season in 2003, batting a combined .214 with five runs scored, a home run and three RBI. Kelvim Escobar, Roy Halladay, Mark Hendrickson, Cory Lidle and Jeff Tam all collected their first career hits. On June 21 at Montreal, Hendrickson became the first Blue Jay and the fifth AL pitcher to homer in interleague play (1R of KIM). The six hits by Blue Jays pitchers were the most collected in 2003 by an AL staff and the most in any one season by the Blue Jays.

BLUE JAYS WALK-OFF HOME RUNS

The Toronto Blue Jays have recorded 42 total walk-off home runs in franchise history. In 2003, the Blue Jays hit two walk-off home runs (Vernon Wells vs. KC on April 25 & Reed Johnson vs. CHC on June 15). On June 15 vs. the Chicago Cubs, OF Reed Johnson hit a leadoff home run and ended the game in the 10th inning with a walk-off home run. Johnson became just the 4th player in ML history to accomplish that feat. The most walk-off home runs hit in a single season by Toronto is three accomplished in 1987, 1996 and 1999. Cecil Fielder is the only Blue Jay to hit a pinch hit walk-off home run accomplished back on September 4, 1987 vs. SEA (10th inning-solo HR). George Bell is the only Blue Jay to end the game with a walk-off grand slam accomplished back on September 4, 1988 vs. TEX (9th inning).

BLUE JAYS HOME RUN TRIVIA

PLAYER WHO HOMERED IN THEIR FINAL MAJOR LEAGUE AT BAT

WILLIE AIKENS, April 27, 1985... he came to bat for last time, pinch-hitting at Texas in the ninth inning. Batting for Tony Fernandez against Tommy Boggs, Aikens crashed a dramatic game-tying, two-run homer and Toronto went on to win 9-8. Three days later, Aikens was "designated for assignment" winding up in the minor leagues.

DESIGNATED HITTER

As a designated hitter, **BRAD FULLMER** hit 32 home runs in 2000 to surpass the club mark of 25 home runs by a DH set in 1998 by **JOSE CANSECO**. Prior to 1998 the most home runs hit by a Blue Jays DH was 23 set by **DAVE WINFIELD** in 1992.

MOST PLAYERS WITH 10 OR MORE HOME RUNS

Both the 1983 and 1987 Blue Jays tied the Major League record with nine players hitting 10 or more home runs.

TWO IN ONE INNING, BATTER

JOE CARTER is the only Blue Jay to hit two home runs in one inning. He had his two on October 3, 1993 at Baltimore in the 2nd inning.

SWITCH HITTING HOME RUNS IN ONE GAME, BATTER

ROBERTO ALOMAR hit home runs from the both sides of the plate in the same game twice. He accomplished the feat, both at SkyDome, May 10, 1991 vs Chicago White Sox and May 3, 1995 vs Chicago White Sox. **DEVON WHITE** did so once with Toronto at Minnesota on June 1, 1992. **JOSE CRUZ Jr.** was the last Blue Jay to do it, August 24, 1997 at Kansas City.

40 HOME RUN SEASONS

In 1999 **CARLOS DELGADO** with 44 home runs and **SHAWN GREEN** with 42 home runs, became the first Blue Jays tandem to each hit 40 or more home runs in the same season. In 2000, the Blue Jays again had two players, **CARLOS DELGADO** and **TONY BATISTA** each hit 41, hit 40 plus homers in a season. Overall the Blue Jays have had six players, done seven times, hit 40 or more home runs in a season as **JESSE BARFIELD** hit 40 in 1986, **GEORGE BELL** hit 47 in 1987 and **JOSE CANSECO** hit 46 in 1998. **CARLOS DELGADO** is the only Blue Jay player to hit 40 or more home runs in a season three times (1999, 2000, 2003).

HOME RUNS BY THE FIRST TWO BATTERS OF GAME

DEVON WHITE and **ROBERTO ALOMAR** on August 18, 1991 at Detroit accomplished this feat for the only time in Blue Jays history.

HOME RUN IN FIRST MAJOR LEAGUE AT BAT

AL WOODS as a pinch-hitter, on April 7, 1977 vs the Chicago White Sox at Exhibition Stadium in Toronto's first game ever.

JUNIOR FELIX, May 4, 1989 vs the California Angels at Exhibition Stadium.

HOMERING AT HOME

The 2000 Toronto Blue Jays set an AL record with 134 home runs hit at home. The 1970 Cleveland Indians set the previous mark when they hit 133 home runs at home. **TODD GREENE** homered in the 2nd inning of the Blue Jays final home game of the 2000 season to set the record.

MOST PLAYERS WITH 20 OR MORE HOME RUNS

The 2000 Toronto Blue Jays tied an AL record with seven players hitting 20 or more home runs in a season. The Baltimore Orioles set the AL record with seven players hitting 20 or more homers in the 1996 season.

MOST PLAYERS WITH 30 OR MORE HOME RUNS

The 2000 Blue Jays had four players hit 30 or more home runs, which tied the ML record. It was just the second time the feat had been accomplished in the AL as the Anaheim Angels also had four players hit 30 plus homers earlier in the 2000 season.

20 HOME RUNS AT THE ALL-STAR BREAK

The 2000 Blue Jays became the first team in ML history to have four players hit 20 or more home runs at the All-Star Break. **CARLOS DELGADO** hit 28, **TONY BATISTA** hit 24, **RAUL MONDESI** hit 22 and **JOSE CRUZ Jr.** hit 20.

Joined the Blue Jays in 1978 as a full-time minor league instructor before joining Medicine Hat of the Pioneer League to manage the following season. Moved on to Kinston of the Carolina League in 1980 and then to Florence of the South Atlantic League where he piloted the club to within one game of the league championship in 1982, bowing to Greensboro in the deciding game. Dennis managed two more seasons with the same club before being named a coach with the Syracuse Chiefs in 1985, a post he held through 1986. Went back to managing later in '86 season as he guided Jays affiliate in Pioneer League at Medicine Hat, before assuming coaching duties again, this time at Dunedin in Florida State League from 1987-89. Guided Dunedin towards FSL record 53-14 in the first half of 1990 season (.791 winning percentage was also league record for a half season). Spent four years as manager of Dunedin club before making major league debut as coach with Toronto in 1994. Was Toronto's bullpen coach in 1994 and 1995. Became manager of the Dunedin team in the Florida State League in 1996 and returned to the same role in 1997. Served as a coach in Dunedin between 1998 and 2001. Named as the Manager for Auburn (A) of the New York-Penn League in 2002. Led the Doubledays to top spot in the Pinckney Division in both the 2002 and 2003 seasons. Under his direction in 2003, Auburn posted a record of 56-18 which fell just two wins short of the best mark in the history of the New York Penn League. As a team, the Doubledays led the league in virtually every major offensive and defensive statistic. Unfortunately the club was swept in a first round series with Williamsport. Now returns for his third year at the helm in Auburn and his 27th season in the Blue Jays organization.

ROBERTO CLEMENTE AWARD, PRESENTED BY JOHN HANCOCK

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims of Nicaragua. The award, sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and Commissioner Allan H. (Bud) Selig, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. These local winners are announced in September during Roberto Clemente Day. The winner of the national Roberto Clemente Award is announced during a pre game ceremony at the World Series. Past winners include Jamie Moyer; Jim Thome; Curt Schilling; Al Leiter; Tony Gwynn, Willie Mays, Ozzie Smith, and Cal Ripken, Jr.

John Hancock Financial Services, a company that has long recognized its obligation to the community, is a proud sponsor of Major League Baseball and the Roberto Clemente Award.

2003 Final Record: 56-18, 1st Pinckney Division

Playoffs: Lost 2-0 to the Williamsport Crosscutters in the best-of-three New York Penn League semifinal

Season Summary

- An historic regular season was followed by a disappointing postseason showing... After finishing the regular season at 56-18, two wins shy of the best record in the history of the New York Penn League, the Pinckney Division champions were swept out of the playoffs in the first round by the eventual league champs from Williamsport... Dominated the competition in the regular season, leading the league in virtually every major statistical category... Won all but one of the first 12 games on the schedule en route to an 11-3 record in June... Scored five or more runs in nine of those wins... Put together a 23-6 record in July, highlighted by a season-high nine-game win streak from July 15-23... Enjoyed seven win streaks of four or more games during the season as a whole... Scored ten or more runs in a game 15 times in the season, including a season-high in a 25-4 win at Lowell on August 29... Posted a 22-9 record in August (including one win and one loss from September)... Had identical 28-9 records at home in Falcon Park and on the road... Lost two or more games in a row just twice during the season, a four-game losing streak from June 29 to July 2 and back-to-back losses to Aberdeen on August 16 and 17... Finished first in the 14-team New York Penn League with .283 team batting average, 454 runs, 703 hits, 56 home runs and 361 base on balls... The pitching staff also led the league with a 2.52 team ERA, 56 wins and 25 saves... Allowed a league-low 493 hits and 20 home runs and finished second with ten shutouts and 188 walks issued.

CREDENTIAL APPLICATIONS: All news media will be asked to submit a written request for Blue Jays season media credentials on their official letterhead. All requests for season credentials must be received by Friday, February 13, 2004.

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations who plan to cover the Blue Jays on a daily basis. Credentials will be issued only to members of the working media 18 years of age and older. NO SPOUSES, GUESTS or CHILDREN OF MEMBERS OF THE MEDIA WILL BE ISSUED CREDENTIALS. MEDIA PASSES ARE NOT TRANSFERABLE. Credentialed members of the media are prohibited from requesting or accumulating autographs or equipment on the playing field or in the dugout and clubhouse. Any violation of these guidelines will result in immediate revocation of the credential and future access. Only credentials issued by the Blue Jays, the American League or the BBWAA will be honoured. All credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgatheirng organizations who do not qualify for season credentials. Any organization who anticipates the need for daily credentials must have a letter on file with the Blue Jays Communications Department. Requests may be sent via fax, but those requests must be made at least 24 hours in advance. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. NO freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of existing trademark and copyright restrictions.

CLUBHOUSE ACCESS: The clubhouse is open to all media with proper credentials 3 1/2 hours prior to each game and then closes 45 minutes prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders will be determined by the Blue Jays Communications department. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual had credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc.)

LIVE TRANSMISSIONS: Televisions and radio stations not holding broadcast rights for Blue Jays games will be allowed to transmit live reports prior to and after Blue Jays games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be permitted while the rightsholders are on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ADMISSION TO SKYDOME: All media covering Blue Jays Baseball will enter the SkyDome at Gate #9. All daily media credentials will be available at Gate #9, four hours prior to the game.

AUTOGRAPH REQUESTS: As noted earlier, no members of the media may use their access to solicit autographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Communications Department. Failure to do so will result in the revocation of credential privileges and forfeiture of any items obtained.

NOTES & STATISTICS: Game information is available in the press box two hours prior to first pitch. Play-by-play sheets, box scores and post-game notes will be distributed to your seat. As well, this information is available at www.mlbpressbox.com.

MEDIA GUIDES: Are available upon request in the press box from club communications representatives.

TELEPHONES: Seven charge-a-call phones are available for media use in the press box.

MAJOR LEAGUE BASEBALL CLUB/MEDIA CHAMPIONSHIP SEASON REGULATIONS 2004

The following are Major League Baseball's regulations for Club/Media Relations. They are to be observed by all parties:

1. All accredited press, radio and TV representatives shall have pre-game access to the clubhouse. Each clubhouse is to be open to accredited media from three hours and 30 minutes prior to game time until 45 minutes prior to game time, except when the club is on the field for batting practice.

2. The working media shall have access to both clubhouses no later than 10 minutes following the final out of each game (including doubleheaders and day/night split admission games) for a period no longer than one hour unless reasonable access to players is not provided during that time, except for card-carrying members of the Baseball Writers Association of America, who will have unlimited access. If reasonable access is not provided, the clubhouse must remain open. Members of the media, other than BBWAA members, may make arrangements with the club PR Director for extended access.

3. Media credentials are not transferable.

4. Clubhouses, the dugouts and field are off-limits except to appropriate club, Commissioner's Office personnel and media bearing appropriate credentials. Club credentials are not to be issued to unauthorized personnel. The Commissioner's Office reserves the right to revoke inappropriately issued credentials.

5. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.

6. The trainer's room and players lounge may be off-limits to the media but each club controls these areas, and it is vital they not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods and it is the player's responsibility to cooperate.

7. Ropes or other restraining barriers are not permitted to bar the media. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media is to be allowed in foul territory, in an unrestricted manner, in an area which is not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

8. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

9. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases that arise.

10. Visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. There shall be no seeking of autographs, no touching or removing of equipment or personal items from lockers, and no sampling of players' food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines.

11. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without approval from the Commissioner's Office. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversations to be overheard during the course of a game without the prior approval of the Commissioner's Office.

12. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club.

13. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).

14. Accredited media are not required to sign in for clubhouse access.

15. Any club whose personnel violate these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

NOTE: The following information is based on the Basic Agreement which was in effect for the 2003-2006 seasons.

TRANSACTIONS AND CONTRACTS

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

TRADING REGULATIONS: The trading deadline is July 31.

Trades may be made with any other major league club in the period from the end of the championship season through July 31 (4:00 p.m. EDT) without waivers. Waivers are required, however:

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring three years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: a permission granted from all 30 clubs to assign a Major League player's contract to another Major league team or a minor league affiliate. Such permission is granted only for a specific period of time. The actual request is filed through the Commissioner's Office and is not disclosed to the public until the contract is rewarded.

PROCEDURES FOR OBTAINING WAIVERS:

- May request 7 players on any given business day.
- The waivers must be requested by 2:00pm ET on any business day.
- Waiver claiming period expires on the second business day after the initial request at 1:00pm ET.
- A Club desiring the assignment of a player on the waiver wire must submit a claim prior to 1:00pm ET on the last day of the claiming period.
- Priority for the waiver claim awards is given to the Club with the lowest winning percentage in the player's league when there are multiple claims submitted for the same player.
- If only one claim is entered, the claiming Club is eligible to be awarded the player contract.
- There is no specific limit on the number of claims that may be submitted on a particular day. However, no Club is permitted to exceed the 40-man or the 25-man roster limit.
- If a Club is awarded a player on a waiver claim which causes them to exceed the 40-man or the 25-man roster limit they must designate a different player for assignment.

FOUR WAIVER PERIODS:

- November 11-February 15
- February 16-April 28
- April 29-July 31
- August 1-November 10

All waivers that have been granted expire at 5:00pm ET on the last day of a particular waiver period.

TYPES OF WAIVERS

- *OUTRIGHT WAIVERS (OR)* — this type of irrevocable waiver needs to be secured in order to Outright a player. An outright is to assign a player to a club's minor league affiliate without the right of recall. In other words, to remove a player from the 40-man roster. Also a player who has exhausted his options must clear this type of waiver if the club wishes to assign him to minor league affiliate. An outright waiver secured is good for entire waiver period. These waivers are needed from the 31st day of the season through August 31.
- *SPECIAL WAIVERS (SPL)* — also irrevocable, the special waiver is used for the same purpose as an outright waiver. One difference is these waivers are used from September 1 to the 30th day of the following season. A secured special waiver is good for seven days, as opposed to being good for an entire period like the outright waiver.
- *UNCONDITIONAL RELEASE WAIVER (UR)* — this irrevocable waiver is used for the purpose of an unconditional release of a player. At the time of the request the player shall be removed from all player limits. A player may be informed of the clubs intention to release him on a weekend, but the actual waiver process won't begin until the following business day. During the time a player is on an unexpired waiver request bulletin he may discuss employment with other clubs but may not contract with another club. If the player has been claimed, he must be informed the end of the two-day period that his contract has been claimed. The player has five days from the time he was notified of the claim to either accept the assignment or terminate his contract. If the player terminates his contract he forfeits termination pay. Termination pay may vary depending on the time of year.
- *MAJOR LEAGUE WAIVER (ML)* — this type of revocable waiver is common and it is used to either option a player to a club's minor league affiliate or assign a player outright to another Major league club from August 1st to the end of the regular season. A player claimed on this type of waiver may be pulled back by the requesting club. This is known as a waiver withdrawal. Generally a club needs to secure this type of waiver in order to option a player if the date of the assignment is three or more years after the date the player first reported to a Major League club during a championship season. One year shall be deducted from the above three-year period for each season in which the player may have been charged with an option prior to first reporting to a Major League club during a championship season. A claimed player pulled back by the requesting club may not be assigned and cannot be placed on waivers again (except for UR waivers) for 30 days. When ML waivers are asked for a second time in the same period the request shall state that it is irrevocable.

ASSIGNMENT OF PLAYER CONTRACTS:

- Ten and Five Rule: Players with ten or more years of Major League service (MLS), the last five of which have been with one Club, shall not be assignable to another Major League Club without the Player's written consent.
- When a player with five or more years of MLS is asked by his club to consent to an assignment to the National Association, he has three choices:

1. Accept the assignment, 2. Refuse the assignment.
3. Elect Free Agency

- Any player who has at least three years of MLS and whose contract is assigned outright to a National Association club may elect, in lieu of accepting such assignment, to become a free agent.

- Any player whose contract is assigned outright to a National Association club for second time or any subsequent time in his career may elect, in lieu of accepting such assignment, to become a free agent. Unlike a player with five or more years of MLS, this type of player does not have the option of refusing the assignment.

OPTIONAL ASSIGNMENT: to assign a player from the active 25-man roster to a minor league affiliate with the right of recall. The player remains on the 40-man roster.

RECALL: to add a player from your reserve limit (40-man roster) to the 25-man roster. This player must serve at least 10 days on option in order to be recalled unless he is replacing a player placed on the disabled list.

OUTRIGHT ASSIGNEMENT:

- MAJOR TO MINOR: to assign a player to the Club's minor league affiliate without the right of recall. The player is removed from the 40-man roster.
- MAJOR TO MAJOR: to assign a player from one Club's 40-man roster to another Club's 40-man roster. This transaction is more commonly known as a trade.

DESIGNATED FOR ASSIGNMENT:

- When a club that has reached it 40 and /or 25 man roster limit, either reinstates a player, or acquires a new player (through a selection, a signing, a trade or a waiver claim); they must designate a player for assignment or release. If they are going to assign the player, they must do it within 10 days.

WAIVER WITHDRAWALS:

- Waiver request may only be withdrawn on players who have been claimed on a Major League Waiver wire. If a player is claimed on a Major League Waiver wire, the request must be withdrawn within two business days or the contract will be awarded to the eligible club. During the two-day waiver withdrawal period the requesting Club can try to negotiate a deal with the eligible Club and make a waiver claim award under the terms of that deal.

WAIVER PRICES:

- Major League, Special and Outright Waivers are $20,000 or $25,000, while Unconditional Waivers are $1.00.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

By December 7, former club must offer to arbitrate or becomes ineligible to sign player. By December 19, player must accept offer or on January 9 former club becomes ineligible to sign the player. (Ineligible club regains eligibility the following May 1.)

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Three-man panels heard cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 ongoing.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceeding season or b)he ranks in the top 17 percent in total service in the class of players who have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceeding season.

FIRST-YEAR PLAYER DRAFT (AMATEUR DRAFT) - REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.

A club may not transfer its Negotiation Right to any other club.

DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

MINIMUM SALARY: The minimum rate of payment to a player for each day of service on a Major League Club is $300,000 U.S.

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If player is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

SERVICE TIME AND ROOKIES

MAJOR LEAGUE YEAR: 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

- is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
- in the case of a player who is unconditionally released, is credited through the date waivers were requested.
- in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- is credited at the rate of 172 days per "year", though the season is actually 182 days long.

- is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service and time on the disabled list).

THE GAME

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

NIGHT GAME: In the American League any game scheduled to start after 5:00 p.m. (i.e. 5:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 5:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
  (1) A curfew imposed by law;
  (2) A time limit permissible under league rules;
  (3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);
  (4) Darkness because of any law, the lights may not be turned on.
  (5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
    (i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.
    (ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:

NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:
  (1) Immediately preceding the next scheduled single game between the two clubs on the same grounds;

or

  (2) Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule; or
  (3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
    (i) Immediately preceding the next scheduled single game; or
    (ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
  (4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SUSPENDED GAME: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

SCHEDULE: The American League schedule for the 2004 season will be the eighth year to incorporate Inter-League Play. This season will be the second time in which the Blue Jays will take on the NL West Division and their natural rival, the Montreal Expos. The Jays will play three road games vs the Expos in Puerto Rico this season (July 2-4). The first five seasons of Inter-League Play the Blue Jays faced only NL East Division teams. In 2003, Toronto played the NL Central and Montreal. The 2004 season will also be the fourth straight season to play an unbalanced schedule after not doing so since 1978. The 162 game schedule will feature 144 games against the AL, 18 against the NL and 76 against the AL East.

PLAYING RULES: Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory —if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

BAT AROUND: When all nine batters in a team's lineup come to bat during an inning.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d).

STATISTICS AND STREAKS

BATTING CHAMPION QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPION QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING EARNED-RUNS: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play."

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON-BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

CREDITING A SAVE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and

(2) He is not the winning pitcher, and

(3) He qualifies under one of the following conditions:

(3) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or

(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or

(c) He pitches effectively for at least three innings.

TOUGH SAVE: The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

BLOWN SAVE: When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on

balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

GLOSSARY OF MINOR LEAGUE TRANSACTION TERMS

Minor League players are generally under contract to a Major League Club and are assigned to play for a Minor League Club (1) that the Major League Club owns or (2) that has a Player Development Contract with the Major League Club. The following glossary describes some terms used in Minor League transactions. References to "players" in the glossary apply only to Minor League players.

SKYDOME

SkyDome became the new home of the Toronto Blue Jays on Monday, June 5, 1989. The retractable roof stadium is one of the world's most advanced and luxurious ballpark. The stadium employs leading edge technology in both design and function. From the artificial turf to the 110 private SkyBoxes, the finest attention to detail was given.

At conception, SkyDome took an innovative approach to financing, construction and design. Until 1994, SkyDome had been owned by The Stadium Corporation of Ontario, a consortium comprised of both public and private funds. The Province of Ontario and the Municipality of Toronto each contributed 30 million dollars. Joining these two levels of government were 30 Canadian corporations including the Toronto Blue Jays Baseball Club. Each private company contributed 5 million dollars in exchange for preferred supplier status and a SkyBox. SkyDome is presently owned by Sportsco International, L.P. (since April 1999), the principals of which are Alan Cohen and Harvey Walken. The final construction cost of SkyDome exceeded 500 million dollars.

Architects Rod Robbie and Michael Allen designed SkyDome and have patented its retractable roof system. Preparation of the site began in April 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test of the moveable roof panels took place in January 1989. More than 10,000 person-years of employment were created by the construction of SkyDome.

The venue is located just to the south and west of the CN Tower, between John Street and Blue Jays Way. A five minute walk from Union Station, it is easily accessible by the TTC or Go Transit. Several public parking lots are within a ten minute walk of the stadium.

SkyDome is home to the Toronto Blue Jays Baseball Club and Toronto Argonauts Football Club as well as playing host to hundreds of other events during the year such as concerts, trade shows and charity functions. Also located in the building is the Renaissance Toronto Hotel at SkyDome, a 348-room hotel with 70 rooms overlooking the field. SkyDome houses several corporate offices for various companies including the Toronto Blue Jays.

One of the unique features of SkyDome is that it can be "transformed" from one mode (ie. baseball) to another mode (ie. football or concerts) within hours. The 100 level seating areas are situated on railway tracks that allow the seats to move for conversion purposes.

SKYDOME PROVIDES BLUE JAYS WITH NEW TURF

The Toronto Blue Jays began playing on a brand new artificial surface (AstroTurf) beginning in 1997. Toronto's SkyDome provided the Blue Jays with a surface to be used for baseball only. The SkyDome now uses a dual turf system for baseball and football with football using the old turf.

The old system required painting football lines on the turf as well as cleaning up the base in-field areas and tobacco stains on the old turf in preparation for football games.

The new turf, AstroTurf stadium surface, was manufactured by Southwest Recreational Industries, Inc (formerly AstroTurf) based in Leander, Texas. The lifespan will now be increased to 14 years because it will only be used for one sport.

The product is the same as the previous turf with the following differences:

- the new underpad will be non-perforated and the fastening system is now velcro (instead of the zipper fasteners on the old turf);
- the velcro is easier to install, faster to install, requires lower maintenance and since the seam is tighter between the turf it will be safer for the players;
- the colour of the turf will be a slightly darker green in order to give it a more consistent look with natural grass and to add more colour contrast for television.

The total price including taxes and duties was $2,000,000 (CDN).

DUNEDIN STADIUM/KNOLOGY PARK

Located at the corner of Douglas Avenue and Beltrees Street in Dunedin, Florida. Dunedin Stadium has been the training home for the Toronto Blue Jays since the club's first season in 1977 and home of the Dunedin Blue Jays of the Florida State League (A).

From 1977 to 1989 the Blue Jays played at Grant Field in Dunedin, which had a seating capacity of 3,417. In 1990 the City of Dunedin, at a cost of approximately 2.4 million, built a new stadium for the Blue Jays, Dunedin Stadium at Grant Field. The stadium was designed by the architect firm of Johnston Dana Associates and was built by Case Contracting Company of Plant City, Florida. With the construction the stadium saw an increase in the seating capacity from 3,417 to 6,106.

On September 8, 2000 the City of Dunedin and the Toronto Blue Jays reached an agreement to keep the Blue Jays in Dunedin for a minimum of 15 years pending approvals. Under the agreement major renovations would be made to Dunedin Stadium and a new minor league facility would be constructed. The $12.5 million renovation was shared between the State of Florida, Pinellas County, the City of Dunedin and the Toronto Blue Jays.

The renovations to Dunedin Stadium in February 2002 were designed by the architectural firm HOK Sports + Venue + Event and were built by J.A. Jones Construction. The changes to Dunedin Stadium included a new two-story building beyond the right field wall, which holds the Blue Jays clubhouse, training room and weight room on the ground floor with office space for the major league club on the second floor. The visiting clubhouse is now located on the third-base line. As well, the bleacher seats along the right-field foul line were removed and permanent seating installed. The dimensions of the Stadium increased from 315 feet to 327 feet. The capacity of the Stadium is 5,509.

Dimensions

Left-field line	335 ft/102.1 m
Left-centre	375 ft/114.3 m
Centre field	400 ft/121.9 m
Right-centre	375 ft/114.3 m
Right-field line	327 ft/ 99.7 m

Fence – 16 feet high
Warning track – 20 ft/6.1 m
Capacity – 5,509

Construction on the minor league facility was completed for the 2003 season. The Bobby Mattick Training Center is located on the same grounds of the Englebert Complex. The facility features new clubhouses, offices, weight room, five full fields and a half field. Four of the fields are arranged in a cloverleaf pattern with an observation tower in the middle.

On February 6, 2004 Dunedin Stadium at Grant Field was renamed Knology Park.

The largest ever spring exhibition game crowd was 6,218 on Tuesday March 27, 1990 for the game between the Blue Jays and the Kansas City Royals and on Wednesday March 13, 1985 for the Blue Jays and the New York Mets.

The first ever Blue Jays game played at Grant Field was on March 11, 1977. The Blue Jays defeated the New York Mets by a score of 3-1.
